

GUENTHER WETZEL TRADES BURSARY

The late Guenther Wetzel believed in the real value of tradespeople - electricians, plumbers, welders, carpenters, masons, and all those other skilled workers without whom nothing would get built and nothing would function. To honour Guenther's appreciation for these folk, and to encourage young people to pursue a career in a trade, his wife Donna Havery Wetzel has established the Guenther Wetzel Trades Bursary through the Prince Edward County Community Foundation.

Applications are invited. A single bursary of approximately \$1500 will be awarded to the successful applicant. Applicants will have applied and been accepted at a post-secondary institute offering formal instruction in a trade. The bursary will be paid directly to the post-secondary institute, on behalf of the student, and can be used for tuition or other costs and fees levied by the Institute.

HOW TO APPLY

Applications shall be in the form of a one to two page letter. The letter shall describe what trade the student intends to pursue, and the reasons they want to pursue. Attached to the letter on a separate page will be a copy of the confirmation of acceptance into a trades program at a post-secondary institute. Please send your application to:

The County Community Foundation Suite 103, 280 Main Street
Picton, Ontario K0K 2T0. You can also email your application to
info@countycommunityfoundation.ca

OR Return to Lisa Fraser, Guidance Department, PECl
